

WARRIOR

PRODUCT SPECIFICATIONS - WARRIOR

PRODUCT DESCRIPTION:

The Warrior is a high-quality, CNC-machined wall washer that is the best solution for more traditional landscape and architectural design plans. This versatile fixture can operate as a wall washer or path light with its rotating head. Our Omega Black finish converts 6061 Aluminum into an indestructible shell, providing corrosion resistance and scratch proofing against even the most extreme environments. This wall washer provides long-lasting, energy-efficient lighting accents with different kelvin temperatures available.
