## PRESENTATION KIT new additions and features

- ① Added Visionary 3 9W 60° BR
- ② Added PO-II 1W 120° SSA
- ③ Added LV180 Stake
- ④ Revised V1 BR to V1 SSA

### NEW FEATURE:

“Stacked” spotlight compartments! This case can now accommodate 4 spotlights. (The initial kit comes with 3 types of spotlights so you can order a 4th one if desired.)

**The V1 is underneath the V3 - simply lift the divider as shown.**

To add another spotlight underneath the V2, remove the space holder (thick cut out) but keep/use the divider (thin section) in between fixtures.
